Dearest brother and sister Batchelder,

May our continued prayers to the Father in heaven for protection, good health, guidance, and blessings be granted to you and your loved ones.

It is truly a joy and a blessing to work in the vineyard of the Lord. To be able to guide someone see the true Jesus Christ in the Bible and to help him/her have a right relationship with the Lord is very rewarding. As workers of God in his kingdom, it is inevitable to experience ups and downs in carrying out the tasks that will please Him; nevertheless, in whatever situations we are in, may the Lord be glorified always.

Our regular meeting with the prospects benefits each of us. Not only that we are learning

more about the Lord in this meeting, but our relationship as friends is also developing as we get to know more each other. Although they have not decided yet to put on Christ in baptism as of this time because of some religious persecutions from some of their family members, we keep on praying and hoping that in due time they will also become our brothers and sisters in the family of God as they keep on attending our Sunday services. On the other hand, let us pray for Mac Luther

Mendoza, a young man who decided to be baptized this December. I will update you about him and his salvation next month.

Because of your continued prayers, thoughtfulness and support, we continue to enjoy the

privilege of visiting the sick at the Pangasinan Provincial Hospital and feeding the hungry children and adults in several villages both in our own town and neighboring town. We have been doing this work for over two years, and we have been able to meet and teach a lot of people. Some of those that we have met through this work have been already added to the kingdom of God. It is sad to say, however, that some of them were no longer in this life without obeying the power of God to salvation that had been preached to them when they were still living. We hope and pray

that we can keep on doing our hospital visits and feeding next year and in the following years to come, if the Lord is willing.

Thank you very, very much for all that you do to help us reach out to the lost souls with the gospel of Christ and in strengthening the body of Christ here.

Yours because of Calvary,
