

October 2, 2015

Dear brother John and sister Tracy,

A blessed day to you and your loved ones. May our merciful and gracious Father in heaven continue to grant our petitions for you and your family's good health, peace, and happiness.

The Lord blessed us this September with a lot of opportunities to share the message of the cross that brings hope, comfort, joy, and salvation with people from all walks of life who are seeking the truth of God in its purity and simplicity. Our relatives, neighbors, friends and other people around us have heard the joyful sound of Jesus' love over those who are physically and spiritually weak and lost.

We missed our hospital visits and feeding program for the past four months due to some circumstances, but we are glad and thankful that we are now back into doing them again. The sick and the watchers at the female medical ward and those in the surgical ward were encouraged and comforted upon hearing from God's word that the Lord treats each one of them very special in his sight. They appreciate our prayers and visit with them. On the other hand, children, teenagers and adults who showed up to our feeding program held at the rented building of the recently established congregation enjoyed themselves in listening to Bible lessons and participating in singing spiritual songs. They were

nourished physically and spiritually, and they look forward to it again.

more about the Lord and his plan of salvation. We hope and pray that they will end up obeying and wearing the name of the Lord.

Let us all praise and give glory to the Lord for the salvation of four precious souls this September as they put on Christ in baptism for the forgiveness of their sins. Let us welcome our new sisters and brother in Christ to the family of God. They are Arsenia Daroya, Marites Barcel, Princess Joves, and Allen Jimenez. After years and several months of Bible studies and prayers with some of them, they finally made a

commitment to deny themselves, pick up their cross, and serve the Lord the rest of their lives. Arsenia is 73 years old. She was baptized a day before the burial of her mother-in-law. Marites is 38 years old. She was attending born again church, but after learning the New Testament church, she decided to be added by the Lord to his church. On the other hand, both Princess and Allen are students. Let us pray that they will grow

in the grace and knowledge of our Lord and Savior Jesus Christ and will remain faithful until the end.

We are so thankful and grateful for all that you do for the glory of God and for the edification of the body of Christ here in the Philippines. Let us continue to pray for each other.

Yours because of Calvary,
