

November 9, 2017

Dearest Brother John and Sister Tracy,

May our gracious and loving Father in heaven keep you all blessed physically and spiritually.

We continue to invest time in teaching, training, and encouraging the young people in our congregation, especially those who were newly added to the Lord's family. Every Sunday afternoon, after our services, the young people in our congregation are spending time to strengthen their relationship and get closer to each other by eating together, singing together, and learning together. Lord willing, in the following days and months, they will divide themselves into groups to help with the Lord's work in visiting the members, active and inactive, and in seeking and teaching those who are

interested in studying the Word of God. We also give time to keep our Bible study with the students who were recently baptized so that their knowledge in the Scripture will continue to grow and that their faith in God will continue to go deeper. We are happy and thankful that they are also inviting their classmates to come and study with us.

We are so happy and thankful to let you know that we have already moved into the new building. We really thank the Lord so much for the new building to be used for His glory by bringing more souls to worship Him in spirit and in truth. Our first day of worship in that building filled our hearts with joy for it was packed with people. We had a joint worship with our neighboring congregation and had a lot of visitors. We were also blessed and encouraged by the visit of brothers Allen and Troy. We learned a lot from the lessons they presented. We really

had a good time with them. We continue to pray that the Lord will provide the needed funds to build classrooms for the young people and children, small kitchen, restrooms for men and women, and concrete fences.

Let us all praise the Lord and rejoice together for the salvation of two precious souls last month, namely, Adrian Tutaan and Richelle Ann Royupa. Adrian and Richelle are both junior high school students. They came from a denominational group called "Destiny Church." We met Richelle through the invitation of a brother in Christ. After several times of Bible study with her, she invited her friend

Adrian to study with us also. While attending our church services, they noticed several differences

from what they used to do before. As we kept on studying the Scripture together on these differences, especially on what the Bible teaches about salvation, they both decided to be cleansed of their sins by the blood of Jesus in baptism. Last Sunday, Richelle Ann was able to bring her father, uncle, and her brother to our services. Lord willing, we will continue our Bible study with them. Richelle Ann and Adrian

are working together to set up Bible study with some of their friends and classmates.

On behalf of the Indong family, thank you so much for all your sympathy, condolences, comforting words, and prayers as we grieved for the passing away of my father two weeks ago.

Thank you very, very much for all that you do and share with us. Your love, prayers, concern, thoughtfulness, and support continue to encourage and help us a lot in doing the work of the Lord here.

Our love and prayers are with you and your loved ones.

Yours because of Calvary,
Roberto Indong
